You can pay using **EFT credits** (also known as direct deposits).

You will not be able to pay using Interac, domestic wire, or SWIFT transfers. If you do send any of these payment types to your account, you will be automatically returned with money deducted to cover return processing fees. **There is a 50 CAD fee for SWIFT transfers and 25 CAD fee for domestic wires.**

Most Canadians making personal transfers in Canada use Interac, so you may not be familiar with sending EFT credits. You may need to reach out to their bank for help. EFT credits are common for Canadian businesses making payments within Canada.

It usually takes 1 to 2 days to receive CAD into your account. But sometimes, it can take up to 3 days.

### **Payments from outside of Canada**

SOST can't receive payments from outside of Canada, or in currencies other than CAD to SOST CAD account details. If you send SOST CAD from a bank account located outside Canada, it will be returned to your account and you might incur fees.

## NZD

You can pay you by local bank transfer. You won't be able to pay SOST using international wire or SWIFT. It usually takes 1–2 working days to receive NZD into your account.
